

Reclaimed Flooring – Hats Over Belfry | Philadelphia, PA

Hats off to Hope Velocette for the work [Chrysalis Studio](#) has done to [Philadelphia's Hats in the Belfry](#). The small chain of men's and women's headwear relocated from Philadelphia's South Street to Center City and opened its doors with a new brick and mortar concept.

The 900 square feet environment feels more like a home than a commercial retail environment with our reclaimed wood floors and other natural wood fixtures that warm up the space.

We've recently wrapped up a few more projects in the Town of Brotherly Love. Read about these projects by [visiting our blog](#).
